15 INITIAL INCIDENT DESCRIPTION / NARRATIVE:

{On 7-24-2013 I was working a two officer vehicle as assigned unit 1-Mary-3. Officer J. Bulawa and I were dispatched to a robbery call on the SE corner of 1st AV/Marion St. While in route, radio advised that it was not a robbery and Federal Employees were involved. We arrived and contacted all parties involved.

#1 Complainant gave radio the name "[REDACTED]" cell # [REDACTED]. [REDACTED] refused to provide identification and stated he was walking down the street when a black male jumped out of a vehicle, grabbed his arm and took his camera. [REDACTED] wanted his camera back. Federal agents eventually gave his camera back. I gave [REDACTED] a business card and case number.

DO NOT DISCLOSE NAMES OR AFFILIATION BELOW:

Federal Employee, Officer [REDACTED] #5159, stated that [REDACTED] was taking a picture of him as he parked his vehicle in the 100 block of Marion St. He stated he turned on his vehicle emergency lights, got out, identified himself as an Officer and told [REDACTED] to stop. He said [REDACTED] started walking away so he grabbed [REDACTED]'s arm and took his camera. He stated he did not want photos taken because of his job and did not want [REDACTED] to post the photos on the internet. He wanted [REDACTED] to delete the photos that were taken of him.

Federal Employee, Officer [REDACTED] #1025, called 911 and informed radio that

The "B/M" was not a suspect. He gave me a brief account of the incident when I first arrived. He also tried to explain to [REDACTED] why he did not want photo taken of the Federal Building but [REDACTED] would not listen.

Witness [REDACTED] works as security at the Federal building located in the 900 block of 1 AV. [REDACTED] stated that [REDACTED] has been taking pictures of the building for a while and getting in Federal Employees faces, taking pictures.

Sgt Bray screened the incident.
